G D
Lord You made the way
Em C
Tearing through the veil

Closing the chasm
Em C
An unreachable distance
Em C
So I could come close

VERSE 2

Now upon Your altar
My whole life I offer
Throwing down my crown
And all that I have now
Em C D
For all I'll ever need

CHORUS

Em C
Only You
G D
Jesus Christ my treasured Prize
Em C
Only You
G D
From the halls of my heart
Em C
This song echoes out
G D
Only You, Only You
Em C
This song echoes out
G D
Only You, Only You

Verse 3 (same as verse 1)

When this song is sung
Oh my soul sings on
Crying for only one
The King of Heaven
You're all I'll ever need

Verse 4 (same as verse 1)

I won't sing hollow praise
To Your Hallowed name
With every part of me
I sing Glory Be

Here now and always
